

MARTEAU & CO

CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

Lot 7

Dennison + Collectability, Piece Unique

Condition : This unique Dennison is offered in pristine condition. The lapis lazuli dial is flawless, and the diamonds are bright and lively, and in excellent condition. The movement is running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
