CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

Lot 10

Harry Winston Opus V

Condition : This Opus V by Felix Baumgartner is in very good overall condition. The case and lugs show signs of occasional, careful wear. There is a very light surface mark on the crystal at 3 o'clock. The dial, hands, and movement are free from any signs of imperfections and have been well preserved. All hallmarks are crisp and well defined. The movement is in excellent condition and running at time of cataloging, with the retrograde feature working perfectly.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
