## CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

### Lot 16

MING 20.09 Tourbillon

Condition: This Ming 20.09 Tourbillon is in very good condition. The case shows some signs of wear, as it was worn by the brand's founder during the prototyping and testing phase of its development. Yet, the case proportions are excellent and extremely sharp. The dial and hands are free from any signs of imperfections and have been well preserved. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to [info@marteauandco.com](mailto:info@marteauandco.com) with any questions or to request further images.
