## CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

### Lot 17

Baltic Aquascaphe Dual-Crown “Prototype”

Condition: This Baltic "Prototype" Aquascaphe Dual-Crown Blue is in good overall condition. There are some signs of wear throughout the case from previous use, but those do not detract from the watch's overall attractiveness, and rather add character and charm. The dial and hands are free from any signs of imperfections. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to [info@marteauandco.com](mailto:info@marteauandco.com) with any questions or to request further images.
