CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

Lot 19

Daniel Roth Papillon 10th Anniversary

Condition: This Daniel Roth Papillon 10th Anniversary is in very good overall condition. The case shows signs of wear that are consistent with the age of the watch, adding to its character and charm. Signs of wear are visible but do not detract from its overall appealing aesthetic. The hallmarks are deep and visible on the underside of the lugs, while the case still retains its original shape and proportions. The dial, hands and movement are all equally well preserved. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
