CONDITION REPORT

The following describes the condition of the watch below, as it was when the watch was included in the catalogue: The First Strike.

Lot 22

Urban Jürgensen Ref 3

Condition: This Urban Jürgensen is in very good overall condition. There are some signs of wear throughout the case from previous use, but those do not detract from the watch's overall attractiveness, and rather add character and charm. The hallmarks on the caseband, between the lugs at 6 o'clock, are visible and deep. The circular satin finish to the back is in excellent condition. The dial, hands and movement are all equally well preserved. The movement is in excellent condition and running at time of cataloging.

The condition and relative wear of the watch are faithfully represented in the photographs provided. We invite interested collectors to reach out to info@marteauandco.com with any questions or to request further images.
